

Calling all USS England DLG-22/CG-22 Shipmates, Wives, Widows, Family and Friends,

Greetings Shipmates: This plaque project has been approved by our crew. We have the opportunity to have our ship recognized in a prominent place on the Commemorative Plaque Wall at the U.S. Navy Memorial and Naval Heritage Center on Pennsylvania Avenue in Washington, D.C. To date over 400 ships, squadrons, Navy veterans and Navy family plaques have been installed. They can all be viewed on the web site: www.navymemorial.org. We urge each one of us USS England shipmates to donate to this memorial plaque project. This is an outstanding way for us to be recognized for serving our great country aboard the USS England DLG-22/CG-22. Please respond ASAP using the form below so that we might completely fund this project and hold a Dedication ceremony in the near future.

Yes! I would like to make a contribution towards the above plaque to Honor the
